ABOUT THE ST. GEORGE ISLAND CIVIC CLUB GOLF TOURNAMENT & CHARITY FUNDRAISER

Founded in March 1972, the SGI Civic Club has had as one of its core objectives “to support its many community interests through charitable giving.” The purpose of this 2nd Annual Civic Club Golf Tournament & Charity Fundraiser is to raise funds for the many charitable activities the Club supports in the community. All the funds raised through the tournament go directly to supporting these charitable programs. The Club’s assets are its people and the results of its fundraising effort. We support a number of charitable activities on St. George and Franklin County Community. These activities--whether picking up trash on the island, assisting a foster child navigate the system, bringing arts or lively entertainment to the island— are opportunities to express the generosity which is the spirit of St George Island. This Golf Charity fundraiser will allow us to continue our tradition of great support to the community we love.

*We thank you for your support
Of the 2nd Annual Golf Tourney & Charity
